

# Children's Speech and Language Therapy

## We miss you!

We're so sad that we can't visit you and the children in school at the moment.

However our service is still open and we are keen to provide support to you and the pupils in your school with SLCN.

## Advice line

We are opening an advice line every **Monday morning from 9am- 1pm**

Parents, support staff, teachers and SENCOs are invited to call in to have an informal chat with our **SALT Assistants, Rachael and June.**

We can offer support with

- Carrying out speech and language intervention plans
- Resources
- Ideas for working on speech, language and communication skills within the classroom or at home.

**Please call**

**01293 541196**

**We look forward to hearing from you**
