

Learning for this term:	
English	We will be practising how to use exciting and appropriate vocabulary to write a description. We will also learn to write a set of instructions using 'bossy' verbs.
Maths	We will be reviewing our knowledge of place value and learning about numbers up to one million. We will be using mental strategies as well as formal written methods for addition, subtraction, multiplication and division. We will also explore more complex fractions.
Science	We will be exploring what forces are and how forces work. We will also be learning about the planets and the solar system.
Geography	We will learn to use an atlas to locate Egypt and identify human and physical characteristics of the country. We will also learn about the differences between the red land and the black land linked to the River Nile.
History	Our topic is all about Ancient Egypt. We will learn about the great discovery of the boy king, Tutankhamun and the process of mummification.
RE	We will be learning about the Muslim faith.
Computing	Internet safety will be our starting point for computing. We will then move onto Word Processing.
Music	We are learning keyboard skills.
PE	In outdoor adventurous activities, we will work as a team. In dance, we will create, perform and evaluate a sequence of movements in small groups.
RHE/PSHE	Our learning will be all about relationships, health and safety, and rules and laws.
Art/D&T	We will learn the skills to make Egyptian jewellery as well as creating a shaduf.

We will be reading:

We will be using a variety of fiction and non-fiction texts linked to Ancient Egypt. 'Secrets of a Sun King' will be our class reading book for the topic.

You can help at home by...

- reading with your child every day.
- encouraging your child to use TTRockstars and complete the sessions set by the teacher.
- supporting your child to complete any homework.
- ensuring you have good bedtime routines and that your child is getting as much sleep as possible.
