

KEY STAGE 1 DROP OFF AND PICK UP POINTS

From **Monday 18th September**, all children in KS1 will enter through the main KS1 door in the morning.

From Monday, please encourage children to walk sensibly up the ramp to the door themselves (we have practised this during school!)

Adults will be on hand to support them and to ensure children get to the right classroom as they move through the corridor.

Please avoid blocking the entrance to the ramp.

Each week, a member of staff will be at the door providing children with a familiar, friendly face each day! Please put any messages in your child's diary in the first instance (these are checked daily) or on Seesaw (these may not be checked daily).
