RE: Year 6 Design and Technology

Dear Parents and Carers,

Next half term, Year 6 will be carrying out some Design & Technology work linked to our WW2 topic. Children will be looking at the 'Make Do and Mend' initiative introduced during war time and will be recycling an old t-shirt and turning it into a bag.

If you have any old t-shirts at home, please could you send one in with your child as soon as possible. These will be cut up and re-purposed, so please only send old t-shirts (it does not matter if they have stains or holes as they will be given a new lease of life)! The size does not matter either – whatever you have that is unwanted.

If you have more than one spare, please send these in too for other pupils to use. Please send these in by **Monday 10th November**.

If you happen to have any spare buttons that you would like to donate, we would be very grateful if you could send these in too.

Thank you in advance,

Yours sincerely,

The Year 6 team
