RE: CGP revision books

Dear Parents and Carers,

To further support the children in the run up to the SATS in May, we are delighted to be able to offer Maths and Grammar CGP books to your child at a **discounted price of £5 for both books**. *These books usually retail at £13.25 (£6.50 and £6.75 respectively).*

The links above are an illustration of the type of book we will buy; please be aware that if bought elsewhere, the version may not match the one we are using in school or may not be the appropriate level for your child. We will order books to align with the appropriate level that your child is currently working at – this can be explained during Parents' Evenings.

These books will be used as additional homework to support the work we are doing in class, therefore, we will be giving specific pages to complete twice a week. We will set CGP homework every Monday (due on the Thursday of that week) and then set again on Thursday, which will be due on the following Monday. Pupils will need to complete the pages given at home, which will then be marked in school, therefore these books must be brought to school daily.

These can be paid for via Arbor until 5th December so that we are able to order the books ready for the Spring term. **Children will receive their books after the Christmas holidays.**

Kind regards,

L Paterson
