RE: EYFS Our Wonderful World

Dear Parents and Carers,

We are excited to share that our new topic this half term is **Our Wonderful World**.

As part of this topic, the children will be exploring different places around the world and learning about the special connections people have to them. We would love to celebrate the diverse experiences within our class by creating a **class world map**, showing the countries that are meaningful to our children and their families.

We kindly invite you to share **any connection you or your child may have to another country**. This could be a place you were born, a country where family members live, or a place that is special to you for any reason at all. If you do not have a connection to another country, please do let us know too — every response is important to us.

The children are always so proud to see their families represented in our learning, and this will help make our topic even more engaging and meaningful for them.

Thank you for your support. We are really looking forward to exploring our wonderful world together!

Kind regards,
The EYFS team
