## RE: Sports for Champions

Dear Parents/Carers,

Our Change Champions – the voice of our children – asked whether we could organise a visit from a professional athlete. They felt that this would be inspiring and would support the work we constantly do on our school values about ‘Respect, Responsibility and Resilience.’ They also asked if we could do a fundraiser to raise money for new playground equipment.

Therefore, on **Thursday 12<sup>th</sup> March**, we will be hosting a ‘Sports for Champions’ fundraising day where our pupils from Year 2 to Year 6 get to meet a professional athlete, have an assembly and Q&A session with him discussing his career, setbacks and how he became a professional athlete, then take part in fitness circuits run by the athlete. We have the privilege of being allocated James Dasaulo, who is the second fastest 100m sprinter in Britain.

As part of this day, we ask that children, if possible, collect sponsorship for their fitness circuits. The school will receive 60% of this fundraising and the other 40% is used to support future British athletes in their careers. More information is given on the link below or via this QR code. There is also a sticker in your child's diary with the QR code, and this will be shared on the school Facebook page for your convenience.

Please note that when you enter the crowdfunder page, the donation and tip are already set. You can change this to whatever figure you wish to donate. You can also click the 'Edit tip amount' and change or set this amount to £0 if you wish.

The pupils will receive rewards, such as wristbands and posters based on the amount of sponsorship they gain. To allocate these accurately, please could you ensure you put your **child's first name, Initial and class** in the comments box (see pic). For example, **Bob A – 3FM**. Without this, any sponsorship money will still support the school but cannot be counted towards your child's total.

If you have more than one child – please **do NOT combine** them into one donation. Please do separate donations.

The Change Champions have also asked that Years 2-6 can wear sporting clothing on this day. Please ensure that their shoes and clothing are suitable for them to take part in physical activities. They are welcome to wear any suitable sports clothes, including clubs they may belong to or teams they follow, such as football, netball, rugby kits etc., or they can wear PE kit if they prefer.

Thank you in advance for your support and contributions.

Yours sincerely,

Miss L Gianella  
Assistant Principal
